SUMMARY

Aspiring Frontend Developer with a strong foundation in HTML, CSS, and JavaScript. Passionate about building clean, responsive, and interactive web interfaces. Skilled in developing personal projects, integrating APIs, and deploying websites using Netlify. Eager to learn, grow, and contribute to real-world web development projects.

PERSONAL PROJECTS

Portfolio Website

HTML, CSS, JavaScript | Netlify Deployment

- Developed a fully responsive personal portfolio to showcase skills and projects.
- Implemented smooth animations, clean UI design, and section-based navigation.
- Deployed the website using Netlify and ensured cross-device compatibility.

Weather App

JavaScript, HTML, CSS | OpenWeatherMap API

- Built a weather forecast web app that fetches real-time weather data based on user input.
- Integrated OpenWeather API and focused on responsive layout and user-friendly interface.
- Gained hands-on experience with API calls and DOM manipulation.

CERTIFICATIONS

- Microsoft Certified: Azure AI Fundamentals (AI-900)
- Microsoft · Issued [December 2, 2024]
- Demonstrated foundational knowledge of AI and machine learning concepts on Azure.
- NPTEL – Programming in Java (Top 5% Rank)
